

Alameda County Industries

We are proud to be your service provider for **Recyclables, Organics & Garbage.**

REDUCE: Choose durable and reusable products instead of single-use disposable options. Buy in bulk or select products with less packaging.

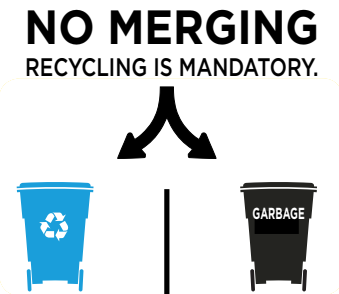

REUSE: Refurbish and repair items that are worthwhile. Sell or donate unwanted items that are still in good condition, don't dispose.

RECYCLE: Place appropriate items in your **Recyclables** cart/bin. They'll be made into new products.

ROT: Put food scraps, food-soiled paper, and yard trimmings in your **Organics** cart/bin. They'll be turned into compost.

Multi-family homes within the City of San Leandro must sort their recyclables from their garbage.

MOVE-IN GUIDE

Welcome to the neighborhood.

By following the tips and resources listed here, you will help our community to reduce waste, conserve resources, and comply with State and local laws.

DON'T TRASH YOUR PACKING MATERIALS!

ASK YOUR PROPERTY MANAGER IF ANOTHER RESIDENT IS MOVING OUT AND COULD USE THEM. IF THE ANSWER IS "NO," FOLLOW THESE TIPS:

MOVING BOXES: Flatten and place in the blue Recyclables cart/bin, or contact a local moving company like U-Haul; they may accept gently-used boxes for donation.

FOAM PACKING PEANUTS AND PLASTIC BUBBLEWRAP: Drop off at a mailing center (such as UPS)

NEWSPAPER AND PACKING PAPER: Place in the blue Recyclables cart/bin

UNWANTED HOUSEHOLD GOODS? If they're still in good condition, choose to sell or donate instead of dispose. Try using one of these resources:

Craigslist.org
Freecycle.org

Eastbaygoodwill.org
SAtruck.org

Also consider working with a nearby consignment shop, or donating to a favorite church or charity.

Items that are no longer usable can be placed in your Recyclables or Garbage cart/bin. Please sort correctly. To arrange for collection of large items, ask your property manager to contact ACI.

HAZARDOUS WASTE HAS ITS PLACE. It is illegal to dispose of hazardous waste in your Organics, Recyclables and Garbage carts/bins. Please take toxic materials to Alameda County's nearby collection facility. There is no charge. Visit stopwaste.org/hhw or call 800-606-6606 for location, hours and more detailed information.
