

Got Extra?

Additional garbage, bulky or e-waste items can be collected for a charge. A special type of collection bin is required for construction, demolition, and landscaping materials. Contact us for more information.

Reuse, Recycle or Donate First

The contents of your bag will be disposed of in the landfill. Before throwing items in the bag, consider reusing, donating or recycling them as an alternative.

Recyclables, Organics & Garbage.

City of San Leandro
**On-Call Clean Up
Program**

Your Scheduled On-Call Clean Up Date:

CSR:

You're All Set!

A 2-cubic yard bin will be delivered on your regular service day and removed one week later. Please keep it secure to prevent illegal dumping.

Collection Procedure:

1. Place the bin at the curb by 6:00 a.m. one week after delivery (on your regularly scheduled collection day).
2. Set out up to three bulky items and properly contained latex paint next to the bin.
3. Move vehicles away from the bin for access.

Please Follow These Guidelines:

• **2-Cubic Yard Bin:** Fill the bin with small, non-recyclable items. Do not overfill. Lid must fully close.

• **Bulky Items:** Set out up to three items next to the bin. Acceptable items include: mattresses, furniture, appliances, and more. Refrigerator or freezer doors must be removed or taped shut. One of your bulky items can be electronic waste. Computers, printers, televisions, microwaves and similar items are acceptable.

• **Tires:** Set out up to four unmounted car tires next to bin.

• **Latex Paint:** Place next to the bin, not in the gutter. Must be in tightly-sealed original container.

Please Note...

SCRAP METAL: Items (less than 30lbs.) can also be placed in your blue **recyclables** cart.

YARD TRIMMINGS: Grass clippings, leaves, and small branches less than 6" in diameter belong in the green **organics** cart.

Unacceptable Materials:

The following items will NOT be collected as part of your clean up service:

- Loose materials placed outside the bin (except the items at left).
- Any single item over 150 pounds.
- Wood longer than four feet.
- Automobile parts (except tires).
- Yard waste and landscaping materials including sod and dirt.
- Cement, rock, brick, drywall, toilets, sinks, windows and other construction or landscaping materials.

HAZARDOUS WASTE HAS ITS PLACE.

Household hazardous waste (HHW), such as: auto fluids, pesticides, fluorescent lamps, batteries, sharps, unwanted medications, pressurized tanks, radioactive materials, poisonous or toxic materials are not accepted in any Alameda County Industries collection carts or bins. For more information, please visit StopWaste.org/hhw or call the Alameda County Household Hazardous Waste team at 1-800-606-6606.
