Help Us Provide Clean & Efficient Service With a Proper Cart Set Out

- Be sure your carts are at the curb, facing the street, by 6:00 am on your collection day. Log into your account or contact us to find out when we service your area.

- Leave the carts at the curb until we've emptied them. **Our trucks may arrive at different times each week.**
- Overflow garbage will only be collected if you have affixed a pre-paid tag to your trash bag. Call ACI to purchase tags or to arrange for additional service.

- Carts need to be placed with space between them so that the automated truck arm can service them properly. **If possible, try to leave 3 feet between each cart.**

- Do not place carts close to parked cars, fire hydrants, low-hanging branches, parking meters, utility poles and other obstacles.
- Do not overload your carts. The lids should close completely.
- Do not wedge or compact materials into your carts. Doing so will prevent your cart from being fully emptied when serviced.

Keep Our Employees Safe

Avoid Wishcycling

Make sure everything you put into the Blue **RECYCLABLES** cart is recyclable. Items that are not recyclable cause contamination, can damage sorting machinery, and make it so recyclables end up in a landfill.

WHEN IN DOUBT... FIND OUT! Visit our website or contact us if you have a question.

CONTAMINATION ALERT!
THESE ITEMS DO NOT BELONG IN THE BLUE RECYCLABLES CART:

- Chip/snack packaging
- Plastic wrap/bags/film
- Crockery/dishware
- Styrofoam blocks/cups/peanuts
- Soiled paper towels/napkins
