

# Alameda County Mandatory Recycling Ordinance (MRO)

**TO LEARN MORE  
ABOUT THE MANDATORY  
RECYCLING ORDINANCE  
PLEASE VISIT:  
[www.RecyclingRulesAC.org](http://www.RecyclingRulesAC.org)**

State and local mandatory recycling laws require food generators with 4 or more cubic yards of service per week (garbage + recycling) to obtain organics collection service.

- Businesses that generate less than 20 gallons of organics per week may be exempt.
- Businesses are subject to periodic inspection and will receive violations if they do not have organics service and/or a significant amount of organics is found in garbage or recycling bins.

# Blue or Green? Proper Sorting Makes a Difference!

## Alameda County Industries

We are proud to be your service provider for **Recyclables**, **Organics** & **Garbage**.

Sorting recyclables, food scraps, and food-soiled paper from the garbage is mandatory.

Commercial businesses and multi-family homes with 5 or more units must sort recyclables and organics from their garbage.
