Recycling is
Mandatory

Alameda County Industries

We are proud to be your service provider for
Recyclables Organics & Garbage.

ARE YOU COMPLIANT? Property owners and managers of multi-family properties with 5 or more units must:

- Provide containers and service for recyclable and organic (including food scraps and compostable paper) materials.
- Provide information at least annually (and during move-in/move-out) to employees, tenants, and contractors describing how to properly use the recycling, organics and garbage containers.
- To learn more visit **RecyclingRulesAC.org** or **www.alamedacountyindustries/sanleandro** and click on the Mandatory Recycling Ordinance Quick Link.

Plant Debris Must be Separated

Alameda County Industries

We are proud to be your service provider for
Recyclables Organics & Garbage.

DID YOU KNOW? Multi-family properties in Alameda County must separate all plant debris from garbage and recycling*.

- Properties with on-site service must place plant debris in designated organics collection containers. Learn more at: RecyclingRulesAC.org.
- Multi-family property owners or managers can arrange for the removal of plant debris by their landscaper. **PLEASE NOTE: The landscaper must haul to a local facility and deposit plant debris in the facility's designated "clean green" area.**
