

Mandatory Organics Recycling

Alameda County Industries

We are proud to be your service provider for
Recyclables Organics & Garbage.

Did You Know? Businesses in Alameda County must separate all plant debris from garbage and recycling*

- Properties with on-site service must place plant debris in a designated organics collection container. Learn more at: **RecyclingRulesAC.org**.

- Need Organics collection service? Contact ACI to start Organics collection services today!
- Business owners or managers can arrange for the removal of plant debris by their landscaper.

PLEASE NOTE: The landscaper must haul the material to an approved facility and deposit plant debris in the facility's designated "clean green" area. For a downloadable form you can fill out and return to ACI, visit:

Does a landscaping company off-haul your yard trimmings?

CalRecycle now requires businesses to provide written documentation from the landscaper that the material is being hauled to a facility that composts it in order to receive AB 1826 compliance.

- For more information about AB 1826 compliance visit:
www.calrecycle.ca.gov/Recycle/Commercial/Organics/FAQ/#Compliance
(Section B-Business; question 49).
