November

Holiday Lights Recycling Program

November 16, 2020 — January 15, 2021

City of San Leandro Public Works, 14200 Chapman Rd.

Don't throw out your holiday lights—**RECYCLE** them! Bring your light strands of all lengths and colors, from any holiday to the Public Works Service Center for recycling. Lights can be working or non-working. Please remove all packaging. No CFLs, pre-lit trees or lighted garland.

For more information visit www.RecycleSanLeandro.org or call 577-6026.

January

Holiday Tree Recycling Program

Alameda County Industries (ACI) and Waste Management of Alameda County (WMAC) will collect your holiday tree, at no additional charge, for composting during the **first two weeks of January**. Place your tree on the curb on your scheduled collection day. Remove all decorations, lights and the stand. The tree should be cut in half, if it is taller than 6 feet. Flocked and artificial trees cannot be composted, place them in the garbage, or schedule a special collection with your provider.

For additional information contact your service provider:

Alameda County Industries (510) 357-7282
Waste Management of Alameda County (510) 613-8710

Adopt-A-Drain

San Leandro has approximately 2,200 storm drain inlets that can become clogged with litter and leaf debris throughout the year. This can lead to localized flooding during the rainy season, and also contamination of San Leandro Creek and the San Francisco Bay. San Leandro residents and businesses can help the City and their neighborhoods prepare for rainstorms by adopting one or more drains near their home or business. It doesn't take much to keep a storm drain clear. A monthly commitment to check the drain and remove the debris on top goes a long way in helping Public Works maintain the drains to reduce flooding and prevent pollution of our waterways.

Visit www.PrepareSanLeandro.org to register to adopt a drain (or drains) near your home or business. It's quick and easy!
