

Proper Sorting Makes a Difference

Alameda County Industries

We are proud to be your **Recyclables**,
Organics, & **Garbage** service provider.

City of Alameda

*The most efficient sorting starts with you.
We thank you for all of your efforts.*

SAY “NO” TO CONTAMINANTS! Garbage and Organics **DO NOT** belong in the **RECYCLABLES** bin/cart.

MAINTAIN A CLEAN STREAM! Empty, rinse, or wipe recyclable plastic, metal, and glass food containers before placing them in the **RECYCLABLES** bin/cart.

KEEP AN EYE ON SIZE! Corrugated cardboard and paper boxes should be flattened and large pieces cut to 2' x 2' or smaller. This creates more room in the recycling bin/cart, prevents litter, and keeps materials from getting stuck in carts and blocking the hopper of the collection vehicles.
