

**Alameda County Industries**

We are proud to be your service provider for  
**Recyclables, Organics, & Garbage.**

## City of San Leandro Collection Program Requirements

### **Are you AB 827 compliant?**

*Businesses that sell products meant for immediate consumption onsite must provide recycling and organics containers for their customers.*

- Containers must be placed adjacent to trash and be visible, easily accessible, and clearly marked.
- Businesses may use their own signage or contact the City of San Leandro, ACI, StopWaste, or CalRecycle for free resources.

**FOR MORE INFORMATION, SIGNAGE, FLYERS, & MORE, PLEASE VISIT:**

City of San Leandro

**Recycle Right!**

Items going in the  
blue **RECYCLABLES**  
cart or bin should be  
empty and clean.

**“Keep it loose for blue use!”**  
*(Don't bag your recyclables)*

Plastic, glass, or  
metal do not  
belong in the green  
**ORGANICS** carts or bins.  
**“If it rots, green  
is the spot!”**

**REDUCE AND REUSE BEFORE YOU RECYCLE.**  
Visit [www.StopWaste.org/recycle](http://www.StopWaste.org/recycle) for tips on using less.
