Are you sorting your  
trash, recyclables, &  
food scraps properly?

**Alameda County Industries**

We are proud to be your service provider for  
**Recyclables Organics & Garbage.**

**Keep an eye out this Fall for ACI personnel  
in yellow vests with clipboards!**

This Fall, ACI, your trash and recycling collection company, will be performing visual container reviews in San Leandro.

These reviews are required by the State of California (Senate Bill 1383) to help reduce contamination and encourage proper sorting. If containers are contaminated with prohibited items (for example, if recyclables or food scraps are found in the trash or if plastic or glass are found in the organics), ACI will provide customers with information on how to correct the issue.
