

Mandatory Organics Recycling

Alameda County Industries

We are proud to be your service provider for
Recyclables, **Organics**, & **Garbage**.

Did You Know? Businesses in Alameda County must separate all plant debris from garbage and recycling.*

- Properties must place plant debris in a designated organics collection container. Learn more at: www.stopwaste.org/Rules.

- Need Organics collection service? Contact ACI to start Organics collection services today!
- Business owners or managers can arrange for the removal of plant debris by their landscaper.

PLEASE NOTE: The landscaper must haul the material to an approved facility and deposit plant debris in the facility's designated "clean green" area. For a downloadable form you can fill out and return to ACI, visit: www.alamedacountyindustries.com/sanleandro/commercial/forms/.

*ACWMA Ordinance 2008-01

Recycling is Mandatory

***Are You Compliant?
All businesses and multi-family complexes must:***

- Provide containers and service for recyclable and organic (including food scraps and compostable paper) materials.
- Provide information at least annually to employees, tenants, and contractors describing how to properly use the recycling, organics, and garbage containers.
- To learn more visit: www.stopwaste.org/Rules or www.alamedacountyindustries.com/sanleandro and click on the SB1383 Quick Link.
- Contact ACI to start or improve your **RECYCLABLES** and **ORGANICS** collection program.

Does a landscaping company off-haul your yard trimmings?

CalRecycle now requires businesses to provide written documentation from the landscaper that the material is being hauled to a facility that composts it in order to receive AB 1826 compliance.

- For more information about AB 1826 compliance visit:
www.calrecycle.ca.gov/Recycle/Commercial/Organics/FAQ/#Compliance (Section B-Business; question 49).
- For a downloadable form you can fill out and return to ACI, visit:
