**Are you sorting your
trash, recyclables, &
food scraps properly?**

Alameda County Industries

We are proud to be your service provider for
Recyclables Organics & Garbage.

**Keep an eye out this Fall for
ACI personnel in yellow vests!**

This Fall, ACI, your trash and recycling collection company, will be performing visual container reviews in San Leandro.

These reviews are required by the State of California (*Senate Bill 1383*) to help reduce

contamination and encourage proper sorting. If containers are contaminated with prohibited items (*for example, if recyclables or food scraps are found in the trash or if plastic or glass are found in the organics*), ACI will provide customers with information on how to correct the issue.
