

Contact ACI for help starting or improving your Recyclables and Organics collection program.

Call 510-357-7282 or email info@AlamedaCountyIndustries.com.

- ACI provides up to 96-gallons of mixed recycling and 96-gallons of organics recycling per week at no extra charge to qualifying business customers.

Call us today to determine your eligibility and get your carts delivered!

- ACI's Recycling Coordinator will visit to survey your waste and recycling needs, answer any questions, and provide posters for employees. The posters clearly show what should go in each ACI container. If you have more than just bottles, cans, paper products, yard trimmings & food scraps to recycle, please let us know.

- ACI offers a variety of other recycling services. We have collection programs for construction, demolition debris and more.

- ACI offers wheeled carts, bins (1 to 8 cubic yards) and debris boxes (10 to 40 cubic yards). We may also be able to assist you with the procurement of a compactor or other necessary equipment. Contact us for assistance with enclosure planning for new construction or remodeling.

- ACI's current garbage and recycling rates are available on our website: www.AlamedaCountyIndustries.com or by calling our customer service department at 510-357-7282.
