Note: If approved, this garbage exemption is valid for a one-year period for the current owner/occupant of the property. You must re-apply for an exemption, annually.

A customer, whose account is and remains in good standing and does not have a past due balance, and is granted a garbage exemption is excluded from participation in garbage service and receives only recycling and organics services (Canyonlands customers do not receive organics services). The garbage cart will be removed from the property. The customer will be billed at the Garbage Exempt rate for recycling and organics services only. For the current Garbage Exempt rate, visit cvsan.org/rates.

If you wish to be considered for an exemption from Castro Valley Sanitary District (CVSan)'s mandatory garbage service, you must complete this form and mail or email it to:

**Alameda County Industries
CVSan - Exemption Request
PO Box 1878
San Leandro, CA 94577-0277
BillingCV@AlamedaCountyIndustries.com**

This form must be completed in its entirety, including all written descriptions and all receipts and letters enclosed as described below. Exemptions may be granted to residents who meet one of the following three criteria.

I am applying for an exemption because no garbage is generated, and / or food is not prepared or consumed on the property.
[Please provide a detailed, written description of the reasons that no garbage is generated on the premises (ex. how do you not use your kitchen, how do you buy or acquire food without packaging that is not recyclable or compostable, or where do you consume your meals?).]

I am applying for an exemption because I deliver my garbage to an authorized disposal facility.
[Please submit at least four receipts, or a monthly bill that proves your garbage is being discarded, at least weekly, in a safe and legal manner. In addition, describe how your garbage is handled until taken to be discarded.]

I am applying for an exemption because I share my gray garbage cart service with another owner/occupant in CVSan.

[Please provide the name, address and telephone number of the person with whom you share service, a brief description of your agreement, a letter from the person stating they share service with you, and a copy of the person's last recycling, organics, and garbage bill.]

For an exemption to be granted, a brief physical inspection of the property's exterior shall be conducted. The occupant/owner does not need to be present for the inspection, but the property's exterior must be made available between 8:00 a.m. and 5:00 p.m., Monday through Friday. Failure to permit a random exterior inspection may result in denial of an exemption request. An interior inspection may be required if the exterior inspection is insufficient. An interior inspection (if needed) shall be arranged with the property owner.

By signing this form and requesting an exemption from regular weekly garbage collection, the undersigned,

_____, hereby authorizes an Alameda County Industries and/or a Castro
(Print Name)

Valley Sanitary District staff person to perform an inspection of my property located at:
