Mandatory Organics Recycling

Alameda County Industries

We are proud to be your service provider for
Recyclables, **Organics**, & **Garbage**.

Did You Know? Businesses in Alameda County must separate all organic material from garbage & recycling.

- Properties must place organic material in a designated organics collection container. Learn more at StopWaste.org/Rules
- Need organics collection service? Contact ACI to start organics collection services today!
- Business owners or managers can arrange for the removal of plant debris by their landscaper. See reverse side for more info.

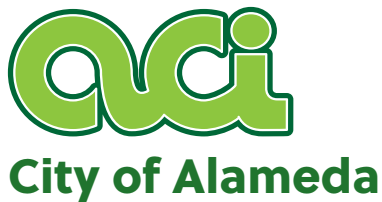

**WE CAN HELP! CONTACT US: Call (510) 483-1400
or email info@AlamedaCountyIndustries.com today!**

Español, 中文, 한국어, & Tiếng Việt StopWaste.org/rules-languages

Printed on recycled paper. Please recycle again!

Did You Know? Diverting Green Waste is the Law

Alameda County Industries

We are proud to be your service provider for
Recyclables, **Organics**, & **Garbage**.

Does a landscaping company off-haul your yard trimmings? We want to know.

- Properties with on-site service must place plant debris in a designated organics collection container. Learn more at StopWaste.org/at-work/regulations-compliance
- Business owners or managers can arrange for the removal of plant debris by their landscaper. *PLEASE NOTE: The landscaper must haul to an approved facility and deposit plant debris in the facility's designated "clean green" area.**
- Download form, fill it out, and return to ACI. Visit us at AlamedaCountyIndustries.com/alameda/commercial/forms
