- toys (that cannot be donated)
- wood (stained or painted)

- NO ORGANICS OR RECYCLABLES**
- NO DIRT, ROCK, BRICK, OR CONCRETE**
- NO HAZARDOUS WASTE**

NO SHARPS OR HAZARDOUS WASTE

It is illegal to dispose of hazardous waste in any ACI container. Please take hazardous materials to a Household Hazardous Waste (HHW) collection facility. There is a fast, free drop-off at four locations in Alameda County.

Visit StopWaste.org/hhw or call 1-800-606-6606 for more information.

*Senate Bill 1383 and Alameda County's Mandatory Recycling Ordinance require recycling. Learn more by visiting Stopwaste.org/Rules

Help Us Provide Safe & Efficient Service

Take these easy steps to make services safe, efficient, and keep collection costs down.

- Properly sort your materials. Scan the QR code on your container, or on this page, for a fully translatable list of what goes where.
- Make sure your container lids are completely closed to prevent overflow, reduce litter, and discourage unwanted critters.
- Bag loose trash and place it in the gray garbage containers. (Remember that items such as masks, gloves, wipes, tissues, and anything with bodily fluids should be bagged and placed in the garbage.)
- Do not place items outside your containers or on the floor in your enclosures. Please take advantage of our expanded on-call clean up program. See below for more info.

More information can be found on our website AlamedaCountyIndustries.com/alameda/multifamily/resources

YOUR RECYCLABLES ARE SORTED BY PEOPLE.

Thank you for properly sorting your waste.

Our Materials Recovery Facility (or MRF) sorting staff thanks you for keeping them safe by making sure needles, sharps, masks, gloves, wipes, tissues, garbage, organics, and anything with bodily fluids, is not in the recycling. Scan the QR code for a comprehensive list of what goes where, and a video that shows what happens to your recyclables after they are collected.

City of Alameda Multi-Family Complex Service Guide

aci Alameda County Industries
We are proud to be your service provider for **Recyclables, Organics & Garbage.**

2307 Blanding Avenue, Suite B, Alameda, CA 94501-1476

EXPANDED PROGRAMS & SERVICES AVAILABLE NOW. SEE INSIDE FOR MORE INFO.

EXPANDED COLLECTION SERVICES NOW AVAILABLE

ON-CALL CLEAN UP PROGRAM FOR MULTI-FAMILY TENANTS

- All multi-family residential customers may schedule an annual on-call clean up to discard overflow waste, recyclable materials, and bulky and reusable items.
- This service is available at no charge, once per 12-month period.
- Tenants must coordinate with their complex owner or manager a suitable curbside location* accessible to ACI collection vehicles **before** scheduling an on-call clean up.
- For more info, contact ACI or visit AlamedaCountyIndustries.com/alameda/clean-up

USED OIL COLLECTION

Used cooking oil, motor oil, and oil filters.

- Place oil in separate one gallon or less, sealed screw-top containers, 12" or less in height.
- Place oil filters in a sealed zipper-style bag.
- Request delivery of free oil jugs and oil filter bags by ACI.
- Up to three gallons of used oils are collected per week. No other automotive liquids are accepted. **Do not mix oils in the containers.**
- Tenants must establish/arrange a safe curbside collection location* for oils and filter bags with their complex owner or manager **before** setting materials out.

AN ON-CALL CLEAN-UP COLLECTION INCLUDES:

- collection of up to three cubic yards of reusable materials, recyclable materials, yard trimmings, and solid waste
- collection of up to three bulky items - one bulky item may be substituted with an electronic waste item.

***PLEASE NOTE: You must share the agreed-upon curbside collection location with ACI personnel BEFORE setting out materials for proper service.**

SB 1383 - California Compost & Recycling Law for Multi-family Properties

California State Law (SB 1383) helps to keep compostable materials out of landfills. In Alameda County, the Organics Reduction & Recycling Ordinance (ORRO) will help residents and businesses comply with the regulations and requirements.

WHAT ARE THE COMPLIANCE REQUIREMENTS FOR MULTI-FAMILY COMPLEXES?

- All sites must have compost & recycling collection services.
- Compost & recycling bins must be placed next to all garbage bins, including indoors, except in restrooms.
- Proper sorting of waste items into the bins is required.

For more information or to request free help, visit StopWaste.org/Rules
To view this information in another language (Español, 中文, 한국어, & Tiếng Việt) visit StopWaste.org/Rules

WE CAN HELP. Contact ACI today to start or improve your recycling and organics collection services and request assistance with waste assessments, program posters/flyers, and employee/tenant education and training.

ORGANICS REDUCTION & RECYCLING ORDINANCE

Placing food scraps in the compost bin instead of the garbage helps fight climate change.
