Proudly Serving the Alameda Community and Aiming for Zero Waste

MAY 2026

Take Advantage of the On Call Clean-up Program for Multi-family Complexes

All multi-family households receive one (1) on call clean-up day per unit per year at no additional charge. Rules apply, scan the QR code at right or visit AlamedaCountyIndustries.com/alameda/cleanup for more information.

Help Us Provide Safe and Efficient Service

Make sure your tenants follow these steps to keep your collection costs down and services safe and efficient:

- Properly sort your materials. Scan the QR code on your container or visit AlamedaSorts.com for a translatable list of what goes where and a video that shows what happens to your recyclables after they are collected.
- Do not place items outside the containers. Take advantage of our expanded on call clean-up program. See above for more info.
- Make sure your container lid is closed. Doing so prevents overflow, reduces litter, and discourages unwanted critters.

Bay Area Regional Energy Network (BayREN) Offers Rebates and Technical Assistance

Make your building safer, cleaner, and greener with education and resources to lower bills and increase energy savings.

- Replace outdated equipment with the latest, most efficient technology.
- Reduce maintenance costs and slash utility bills.
- Reduce energy and water use.

Alameda Municipal Power (AMP) offers rebates and resources to encourage residents make the switch to electric to make homes cleaner and greener. Learn more at alamedamp.com/407/Rebates-and-Incentives

STOPWASTE

A new StopWaste Regulatory Fee will appear on your garbage bill starting July 1, 2026. This small fee funds state-required programs that support composting and recycling, food waste reduction, edible food recovery and donation, and plastic bag pollution prevention. Learn more at StopWaste.org/regulatory-fee →

Recycling and Composting is Required*

Reduce the amount of material going into the landfill and lower greenhouse gas emissions.

All occupied properties in Alameda must subscribe to adequate levels of service for recyclables, organics, and garbage.

BLUE = RECYCLABLES

GREEN = ORGANICS

Do you need to start or improve your recycling and organics program? ACI can help.

Our Sustainability Specialists can visit your complex to:

- Conduct waste assessments and make service suggestions.
- Train and give presentations to employees and tenants.
- Provide materials to assist your tenants with proper sorting and waste reduction.

SERVICE REMINDER

Keep an Eye on the Size

Corrugated cardboard and paper boxes should be flattened and large pieces cut to 3' x 2' or smaller.

Doing so:

- Allows for more room in the container so the lid can close completely.
- Prevents overflow, litter, and critter visits.
- Assures the pieces will fit in the hoppers of the collection vehicles.

Holiday Service Schedule

Collection days will **NOT CHANGE** during the weeks of Memorial Day or July 4th.
